**Helpful Information:**

EDUCATION: - High School Diploma = Lower pay

Associate's Degree (A.A.) = 2 years of college

Bachelor's Degree (B.A. or B.S.) = 4 years of college

Master's Degree (M.A. or M.S) = 2 years beyond college

Doctorate (Ph.D – Doctor of Philosophy, M.D. – Medical Doctor,

J.D. – Juris Doctor – Lawyer) = all of these are 3 – 8 years

beyond Master's Degree.

\*\*\*\*Generally speaking – the more education you have, the more money you'll earn.

ANNUAL SALARY – Information provided usually is given for an entire year (ex. \$35,000). Sometimes, you'll find information such as \$9.00. This means per hour. You will have to multiply that number by 40 ( for 40 hours of work per week), and then multiply that total by 52 (for 52 weeks in a year). This will give you the annual salary.
